SECRETARY, FEB 28 1944 1953 MYSORE TRAFFIC BOARD

The Secretary
The Traffic Board, Bangalore.

Sir,

Lease / hire - Lorry. Exemption for Gas plant &c.

I have been granted a L/L Lorry for the transport of timber (War-Board work) to Balaji Poles.

Ordinarily a L/L Lorry has to be fitted up with a gas-plant.

But in the case of the work mentioned above, a gas plant is incapable of serving the purpose, particularly on the Balehonnur - Mayurdy, — Nemmar — Sringeri & N.R. Pura Sections.

I request, therefore, that I may be exempted from fitting up a gas-plant on the same.

As both War-Board work & transport of Balaji Poles are URGENT items of work, I request that the exemption prayed for may be urgently granted.

Yours faithfully,

Pais

Subd with reference to paras 1-2 of the Notes Supra.

The exemption from fitting up of a gas plant to the L/L Vehicle has been applied for on the ground that the Vehicle cannot run on gas on the Balehonnur - Nagundy - Nemmar - Sringeri and N.R Pura Sections. The C.R.A suggests that this difficulty can be overcome by fitting up the Vehicle with a dual type of gas plant when the Vehicle can be used on petrol also whenever required. The issue of petrol will depend on the basis of gradients to get up which petrol is required. This will thus diminish the consumption of petrol

If approved, M/s. Sylvester Pias will be informed that he might correspond with M/s Simpson & Co., B'lore for fitting up his Vehicle with such a dual type of gas plant.

Fors Chassis released at all progr stock. Mr Sylvester Pais - Exemption for his vehicle fitted up with Producer Gas Plant.

Continuation Sheet. File No. / Current No. of Page.

Mr. Sylvester Pais has given a Ford Chassis out of the progr stock. The Reg was originally intimated that he should be exempted from fitting his vehicle with Producer Gas Plant. Subsequently the Reg wanted this Govt to receive and return the Ford vehicle to be run on petrol. Further they desired this Govt to issue an order, on the lines issued in the C.P. Madhya, ordering all private purchases of Ford Chassis out of the progr stock to give an undertaking in the form prescribed. Since Mr Pais is a private purchaser, the order applies to him also and he was intimated accordingly. Hence he requests for exemption now. Asks for orders whether the exemption asked for may be granted as a special case. Since the law has been in force in many Districts [illegible] the view may be taken that the exemption may be granted.

The IGP's letter is in formal. Mr Sylvester Pais may fit the dual type of gas plant to his lorry.

Subject:- Lease/Lend vehicles - Exemption from fitting up of charcoal gas plant.

Sir.

With reference to your letter No. T. 1343/43-44 dated 28-2-1944 calling for remarks in the matter of fitting up a gas plant to the lease/lend lorry recently obtained by Mr. Sylvester Pais, I have the honour to state that exemption has been applied for on the ground that the vehicle cannot run on gas on the Balehonnur-Magundy-Nemmar-Sringeri and N.R.Pura Sections. But Messrs. Simpson & Co. have intimated that a dual type of gas plant can be fitted to a vehicle and with such a plant, the vehicle can be used on petrol also whenever required. Such a gas plant may be required to be fitted to the lorry of Mr. Sylvester Pais. A suitable quantity of petrol may be issued on the basis of gradients to get up which petrol may be required.

I have the honour to be,
Sir.
Your most obedient servant,

Dear Sir,

Ref. Yours , D. C.No., W 2348, D. B'lore, 10-4-1944

Lease / lend lorry---of Mr. Sylvester Pais.

In reply to the above, I am to state that, apart from my application D. 28-2-1944 to the Secty., Traffic Board, the Mysore Forest Dept. has also, realising that their forest transport work---Balagi Pole Transport & war Board sizes transport---cannot be put through by lorries ~~on which~~ run by gas plants—taken up the question of the exemption from installing a gas plant on my lorry.

I understand that the Mys. Forest Dept. has taken up the question of many a lorry, doing their work in the various forests of Mysore---of which number mine is but one.

Under the circumstances, I am to request you to be so very good as to grant me time, until the application of the Mysore Forest Dept. has been fully considered & finally disposed off.

I have again addressed the Dt. Forest Officer of Chikmagalur Today, forwarding copy of your above referred to letter. The D. F. C. , Kadur will approach you at an early date, through the Chief Conservator of Forests , Mysore.

As it may take some time before the matter is disposed of, I reques you in a special manner to permit me to run on petrol until the end of July, 1944. Installation of a gas plant takes much time & hrs to be done ONLY at Bangalore, as in the Dt. Head-Quarters there is no arrangements for welding, etc. The work of the Forest Dept---urgent war Board work & work of the Electrical Dept. has to be put through before the onset of the monsoons. I, therefore pray that my request may be granted.. Yours obdtly, Balagi
